

Open House for Prospective Music Majors
DAY ON CAMPUS
Friday, October 26, 2007
George L Mosse Humanities Building
455 N. Park St
Madison, Wisconsin

The School of Music faculty and staff invite high school students to the annual open house on the afternoon of October 26, 2007 from 12:00-4:30 p.m. to learn about the exciting opportunities for music majors at the University of Wisconsin School of Music in Madison.

In addition to performances by the faculty and student performing organizations, we will present information about degree programs in performance, music education, composition, theory and music history. Our faculty will be on hand to meet and advise students on preparation for UW-Madison music auditions, and to talk about areas of specialization and career options in music. We also invite you to observe faculty as they hold either master classes or ensemble coaching with current UW-Madison students.

Our staff will present information on the admissions process, scholarship availability and financial aid. UW music students will be on hand to talk about their experiences in the School of Music and in the university community.

There is no cost to attend, but we ask that you complete and return the registration card below by the September 28, 2007 deadline. We will send details of the day with your confirmation information.
