MM MUSIC EDUCATION TOTAL NUMBER OF CREDITS: 30

MASTER’S OF MUSIC EDUCATION STUDENTS DO NOT TAKE THE WRITTEN COMPREHENSIVE EXAMINATION IN HISTORICAL MUSICOLOGY. THEY ONLY TAKE AN EXAM IN THE MAJOR AREA; THE FORM OF THIS EXAM IS DETERMINED BY THE MUSIC EDUCATION AREA. Each student should make an advising appointment in the School of Music Graduate Office every semester; advising is required before clearance for Comprehensive Exams.

*Graduate School requires a minimum of 16 graduate credits be earned at UW-Madison. School of Music programs require that a minimum of 30 graduate credits in total be earned. Graduate credits are earned in courses numbered 300 or above; courses taken as audits or P/F are not included. School of Music can waive up to six credits of course work taken as a graduate student at another institution, with review of curriculum by appropriate faculty and DGS. Details available from Graduate Office.

-------------------------------------------
The Graduate School's minimum credit requirement for graduation can be satisfied only with graduate-level courses taken as a graduate student at UW-Madison. The only exception may be graduate-level course work taken as a CIC Traveling Scholar.

The minimum credit requirement is a degree requirement instituted by the graduate faculty to ensure that a graduate degree represents preparation beyond course requirements. The minimum credit requirement is meant to ensure that, in addition to course work, those who earn graduate degrees have spent sufficient time engaged in their discipline (that is, meeting with professors and peers; participating in research projects and colloquia; using laboratories, clinics, and/or libraries; and generally becoming an active contributor to a research discipline).

Master's degree (except M.F.A.) 16 credits
Ph.D./D.M.A. (must be completed prior to achieving dissertator status) 32 credits

All courses taken as a graduate student that are numbered 300 and above in which you receive a grade of A, AB, B, or S will count toward the Graduate School's minimum credit requirement. Courses with grades of BC or C count only if there are equal credits of AB and A respectively in non-research courses to offset the lower grades. Courses with grades of P ("in progress") fulfill the Graduate School's minimum credit requirement only if they are research courses. Courses taken for audit or pass/fail, under the 300 level, or in which you receive grades of D or F do not count. You must maintain a cumulative grade-point average of 3.00 (on a 4.00 scale).

If you are a master's degree student and have been absent for five or more years, you lose all degree credits earned before your absence. (This guideline does not apply to doctoral candidates.)

Your department may decide to use previous graduate work from another institution toward fulfillment of department course requirements; however, this work will not appear on a UW-Madison transcript, and it does not count toward the Graduate School's minimum credit requirement.

Please be aware that some departments may require higher credit minimums than the Graduate School's minimum. Contact your department's graduate coordinator for further information.
