

School of Music Registration of Dissertation or Doctoral Research Project Proposal

Your Name: _____

Your ID Number: _____ Date _____

The proposal accompanying this form shall provide a cohesive written description of the work to be undertaken, the methodology, the project's contribution to the field, and the anticipated format and nature of the tangible outcome of the Research Project, along with any bibliography, sample of editing, appendices, or other relevant material that demonstrates preparedness and proficiency for undertaking the proposed project.

Each Committee member must receive a copy of the proposal and supporting materials to review before signing this form to indicate approval. Upon submitting the proposal, a meeting between the candidate and the Dissertation Committee or Doctoral Performance and Research Committee is recommended.

By signing this form (**SEE REVERSE**), the members of the Dissertation Committee or Doctoral Performance and Research Committee indicate approval of the attached proposal for the Doctoral Research Project or dissertation. The candidate submits this completed form, along with the project or dissertation proposal and supporting materials, to the School of Music Graduate Office. (Put it in the Graduate Coordinator, Marina Drake's mailbox). The candidate will be notified only if the Director of Graduate Studies recommends modifications.

DEADLINE FOR SUBMITTING THE DISSERTATION OR DOCTORAL RESEARCH PROJECT **PROPOSAL**:

The Doctoral Research Project proposal shall be approved as early as possible, usually no later than one full semester after prelims have been passed, but **in no case later than the end of the semester preceding the completion of the research project.** (Thus, students planning to graduate in the Spring semester must submit the proposal to the major professor no later than **October 31st**; and for Fall graduation, no later than **March 31st**.)

DOCTORAL RESEARCH PROJECT **PROPOSAL** TIMELINE:

	To Major Professor & Committee by:	To DGS by*:
Spring Graduation	October 31	November 30
Fall Graduation	March 31	April 30

*Major Professor is responsible for getting all other Committee members' signatures and submitting the proposal to the DGS.

DEADLINE FOR COMPLETING THE DISSERTATION OR RESEARCH **PROJECT**:

Before submitting the completed dissertation or Doctoral Research Project to the committee, the completed project should have already been reviewed and approved by the candidate's major professor. School of Music rules require that students must submit the **completed Dissertation or Doctoral Research Project** to their committee members no later than **October 15** for a fall graduation, or **March 15** for a spring graduation. Committee members then have six weeks to

review the document and determine whether to schedule a defense, or whether further work is required. Faculty members are under no obligation to read material received after these deadlines. Any deviations from this timetable must be discussed and agreed to by all members of your committee.

I have read the above and understand these requirements.

V. _____ (Print name: _____)

Graduate Committee Approval: _____
Director of Graduate Studies Date

HUMAN SUBJECTS

Students and their supervising faculty are expected to be knowledgeable of and compliant with all University and Federal Guidelines governing human subject research. Please consult the Graduate School's Research and Sponsored Programs web site at

<http://info.gradsch.wisc.edu/research/compliance/humansubjects/index.html>

for complete information regarding guidelines, completing the on-line tutorial, and submitting the required protocol. Your signature is required on one of the following two lines, A or B:

A. I have read the University guidelines and have determined that my research does not need to be reviewed.

(student signature)

(date)

B. I have read the University guidelines and realize that I will need to undertake human subjects training and submit a protocol. I have discussed this situation with my supervising professor.
