**Language Study:** One language at the intermediate-level reading knowledge is required. French or German is preferred.

Language: \_\_\_\_\_ Completed/certified: \_\_\_\_\_  
Date

Intermediate-level Reading Knowledge for Language may be satisfied by:

- 4 semesters of undergraduate study taken within the last five years, earning a grade of B or better in the last semester. This coursework does not count toward graduate registration requirements because it is undergraduate level (below 300-level)
- French, Italian and German can be satisfied by one semester of coursework: French 391, Italian 301, or German 391 for Reading Knowledge. Grade of B or better required.
- You may also study on your own or through courses offered through the Department of Liberal Studies—Division of Continuing Studies. You must then pass the exam offered at the “Pass” level in the case of German, and at the Intermediate level for Italian, French or Spanish. Contact the Division of Continuing Studies for details, or visit their Web site <http://continuingstudies.wisc.edu/lsa/languages/>

**Residency:** Doctoral students are required to accumulate 32 graduate level credits on this campus before Preliminary Examinations. Except for students on financial aid (i.e., TAs, PAs, Fellows), enrollment may be part-time with the approval of the Major Professor. Prelims must be completed within 5 years after admission to the doctoral degree program.

**Preliminary Examinations:** Preliminary Examinations occur in the semester all the above requirements are satisfied. Prelims are administered in the Major and Minor areas. Content, design and scheduling of Prelims are determined jointly by Major and Minor Professors. Registration for minimum 2 credits is required in Prelim semester.

-----  
**DOCTORAL PERFORMANCE AND RESEARCH**

DMA-Brass candidates normally complete four degree recitals before Prelims. The lecture-recital and DMA Research Project are completed after Prelims.

**Recitals, 664-999.** 1 credit per recital (**5 credits total**, in addition to the audition recital). Recitals consist of one solo recital, one chamber recital, one solo/chamber/combination recital, one concerto performance (preferably with orchestra but band is allowable) and one lecture recital. **The lecture recital is usually scheduled after prelims.**

**DMA BRASS: TOTAL MINIMUM NUMBER OF CREDITS BEFORE PRELIMS: 45**

**Doctoral Research Project, 660-990.** See [D.M.A. Research Project Guidelines](#). After Prelims, continuous registration for three credits is required. Credits may include 660-990 or other research-related courses above 300-level. The Oral Defense with the DMA Performance and Research Committee occurs after ALL work is complete.

-----

## Minimum Graduate Degree Credit Requirement

The Graduate School's minimum graduate degree credit requirement is a degree requirement instituted by the Graduate Faculty Executive Committee to ensure that a graduate degree meets institution accreditation standards (this includes but is not limited to online, thesis/research, independent study, and practicum internships credits).

The doctoral degree minimum graduate degree credit requirement may be achieved with credits earned before or after dissertator status, i.e., during enrollment as a dissertator. The credits applied towards a master's degree, a doctoral minor, or taken as a dissertator shall count towards the related doctoral graduate degree credit requirement.

Minimum Graduate Degree Credit Requirement (may include master's degree credits taken at UW-Madison and credits take while a dissertator)	51 credits
---	------------

## Minimum Graduate Residence Credit Requirement

The Graduate School's minimum graduate residence credit requirement for graduation can be satisfied only with graduate-level courses taken as a graduate student at UW-Madison. The only exception may be graduate-level course work taken as a CIC Traveling Scholar.

The minimum graduate credit residence requirement is a degree requirement instituted by the graduate faculty to ensure that a graduate degree represents preparation beyond course requirements. The minimum graduate credit residence requirement is meant to ensure that, in addition to course work, those who earn graduate degrees have spent sufficient time engaged in their discipline (that is, meeting with professors and peers; participating in research projects and colloquia; using laboratories, clinics, and/or libraries; and generally becoming an active contributor to a research discipline).

**DMA Minimum Graduate Residence Credit Requirement**  
(must be completed prior to achieving dissertator status) 32 credits

All courses taken as a graduate student that are numbered 300 and above in which you receive a grade of A, AB, B, or S will count toward the Graduate School's minimum graduate residence credit requirement. Courses with grades of BC or C count only if there are equal credits of AB and A respectively in non-research courses to offset the lower grades. Courses with grades of P ("in progress") fulfill the Graduate School's minimum credit requirement only if they are research courses. Courses taken for audit or pass/fail, under the 300 level, or in which you receive grades of D or F do not count. You must maintain a cumulative grade-point average of 3.00 (on a 4.00 scale).

Your department may decide to use previous graduate work from another institution toward fulfillment of department course requirements; however, this work will not appear on a UW-Madison transcript, and it does not count toward the Graduate School's minimum credit requirement.
